

FOR IMMEDIATE RELEASE

The Autism Conference Summit HK Concludes with Great Success, Empowering Autism Community in Hong Kong

[Hong Kong], [14 May 2024] - The Autism Conference Summit HK, a groundbreaking event dedicated to advancing awareness, understanding, and support for the autism community in Hong Kong, concluded its highly anticipated conference in April 2024. The conference, held at The Harbour School, brought together renowned experts, professionals, educators, caregivers, and individuals with autism, creating a dynamic platform for knowledge exchange, collaboration, and empowerment.

The Autism Conference Summit HK spanned one day, offering a comprehensive program of keynote speeches, panel discussions, and interactive breakout sessions. With the theme "Embracing Neurodiversity: Unleashing Potential," the conference provided a holistic perspective on autism, focusing on celebrating differences, promoting inclusion, and unlocking the immense potential within individuals on the autism spectrum.

Throughout the event, participants had the invaluable opportunity to engage with world-class speakers and experts in the field of autism research, education, and advocacy. Renowned keynote speakers, such as Ms Linda Lam (Chairperson, Equal Opportunities Commission), and Mr Jonathan Mok (Talos Foundation), delivered thought-provoking presentations, inspiring attendees to challenge existing paradigms and embrace innovative approaches to support individuals with autism.

The Autism Conference Summit HK also featured panel discussions that addressed crucial topics, including early intervention strategies, inclusive education, employment opportunities, mental health support, and the role of technology in enhancing the lives of individuals on the autism spectrum. These discussions fostered a collaborative environment, encouraging the exchange of ideas and best practices among professionals and stakeholders.

One of the highlights of the conference was the interactive workshops and breakout sessions, providing attendees with practical tools, resources, and strategies to implement in their respective fields. Participants had the opportunity to learn from experienced practitioners, gain insights into cutting-edge research, and explore innovative approaches for supporting individuals with autism.

The Autism Conference Summit HK attracted a diverse audience, including educators, psychologists, therapists, parents, caregivers, policymakers, and individuals with autism themselves. This inclusive gathering promoted a shared commitment to creating a more understanding and inclusive society, where individuals on the autism spectrum can thrive and

reach their full potential.

The success of the Autism Conference Summit HK would not have been possible without the generous support of our sponsors: [St James Place](#), [Manulife](#), [Hotung Mills Education Foundation](#), [SFI Health](#); supporting organizations: [Talos Foundation](#), [Neurodiversity HK](#), [Love 21 Foundation](#), [Sensational Foundation](#), [The Harbour School](#); and dedicated organizing committee. Their commitment to the autism community and their belief in the power of collaboration has made a significant impact on the success of this event.

Moving forward, the Autism Conference Summit HK is steadfast in its dedication to empowering the autism community in Hong Kong. With a vision of creating lasting impact, the conference will continue to be an annual event, serving as a dynamic catalyst for change. It will foster collaboration, ignite conversations, and provide an invaluable platform for ongoing education, advocacy, and support.
